Letter of Reference

December 16, 2024

To whom it might concern,

We hereby confirm that Mr. Muhammad Umar, born 13.06.2005, has participated in the project "KIT Academic Co-Creation 2024" from November 11, 2024, to December 08, 2024.

"KIT Academic Co-Creation 2024" is a cooperation project between Mercedes-Benz AG and the International Department of KIT (Karlsruhe Institute of Technology) gGmbH and is targeted on the creation of effective and innovative solutions for the strategic challenges of Mercedes-Benz Cars Operations.

The project consisted of a virtual four-week internship which was framed by regularly meetings with experts from Mercedes-Benz. The KIT Academic Co-Creation 2024 was concluded with an on-site Final Pitch event on December 11, 2024.

Within the project Mr. Muhammad Umar was working independently and flexibly in terms of time management and organization within the group. In this regard, he was working on the following strategic challenge:

"Scrap reduction at Body Shop Sindelfingen."

Mr. Muhammad Umar successfully accomplished the challenge and pitched the concept idea to the jury board of Mercedes-Benz Cars Operations.

Mr. Muhammad Umar made distinctive contributions to the development of strategic challenges for Mercedes-Benz AG and fulfilled his tasks with enthusiasm and proficiency. He showed an active commitment to the duties and fulfilled the tasks to our full satisfaction. Furthermore, Mr. Muhammad Umar demonstrated an immense ability to adapt quickly to the working environment and effectively handled challenges and opportunities by integrating his own proposals into our processes.

On account of his excellent conduct and friendly manner, Mr. Muhammad Umar was highly regarded by all team members.

We would like to thank Mr. Muhammad Umar for his commitment, and we are certain that he will be able to pursue his goal to study and work in an international business environment.
